

AGNES

Okay. One. A cat has 32 muscles in each ear. Two. A shark is the only known fish that can blink with both eyes. And Three. Hippopotamus milk is purple.

SUE

It's supposed to be three facts about you.

AGNES

Oh, well that wasn't clear, but Hippopotamus milk is pink.

ASHLEY

I'll go. I drink vodka. I drink whisky. I drink rum.

CARMEN

Aren't you 18?

JESSICA

Whisky.

ASHLEY

Nope. Vodka. Overdid it in 7th grade and was never able to tolerate it again.

MARIA

Great.

CARMEN

START My turn. My breasts are real, my eyelashes are fake... and I've kissed Brandon Garcia.

SUE

You have implants?

CARMEN

No baby. All natural.

MARIA

You didn't!

CARMEN

Girl, chill. I know it's hard to believe, but my eyelashes are real.

SUE

Why do you have to be like that?

(MORE)

CARMEN

Be like what? Maria's got a man about to buy her a house, but she gets her panties in a wad if I mention Brandon.

ASHLEY

Wait, the old Yankees player?

CARMEN

Maria's in love with him.

MARIA

No. I am not *in love* with him. We dated in high school. **END**

AGNES

Homecoming King and Queen.

MARIA

But I'm not in love with him.

CARMEN

Good. Because I did kiss him.

MARIA

What the fuck, Carmen?

CARMEN

Just kidding, I didn't. But ask yourself, why you so *mad*?

MARIA

Because friends don't do that. Everyone knows that.

CARMEN

Nah, you love him.

MARIA

No, I don't.

SUE

You kinda do.

The women continue laughing and drinking by the fire. They continue teasing Maria.
